(1) The Agency will make the following State records available, without requiring the requestor to make a written request, when the requestor appears in person during the Agency's normal hours of operations (i.e., Monday-Friday, 8:00 am – 4:00 pm except on State Holidays), unless the record is exempt pursuant to SC Code of Laws 30-4-40 or other State or Federal laws:

- Minutes of Agency public meetings for the preceding six (6) months
- Agency reports which disclose the nature, substance, and location of any crime or alleged crime reported as having been committed for at least the fourteen-day (14) period before the current day
- All documents produced by the Agency or its agent that were distributed to or reviewed by a member of the Agency during a public meeting for the preceding six (6) month period.

(2) The Agency will generally not process other verbal requests pursuant to SC FOIA. These types of requests are not subject to this policy and are not governed by statutory FOIA procedures, deadlines/suspenses, etc.

4. Suspense for Timely Response

a. Within ten (10) business days (excepting Saturdays, Sundays, and legal public holidays) of the receipt of a FOIA request, the Agency will provide to the person making the request its determination and the reasons for it. If the record is more than twenty-four (24) months old at the date the request is made, the Agency has twenty (20) business days (excepting Saturdays, Sundays, and legal public holidays) of the receipt to make this notification.

b. The Agency's initial determination will include a final opinion as to the public availability of the requested record. However, the determination will not necessarily include a final decision or opinion as to whether portions of the record(s) may be redacted as provided for in SC Code of Laws 30-4-40 or other State or Federal laws.

c. If the Agency grants the request, the Agency will furnish the record or make it available for inspection or copying no later than thirty (30) calendar days from the date on which the Agency provided its final determination. If the records are more than twenty-four (24) months old, the Agency has no later than thirty-five (35) calendar days from the date on which the Agency provided its final determination.

d. The response, determination, and production deadlines are subject to extension by written mutual agreement of the Agency (i.e. FOIA Coordinator) and the requesting party.

- a. The Agency will establish and maintain a Schedule of Fees associated with the retrieval of information responsive to State FOIA requests in accordance with SC Code of Laws 30-4-30.
- b. The Agency may require a deposit for fees (not to exceed 25% of total reasonably anticipated costs for reproduction) as a part of or once it provides a final determination.
- c. The requestor must pay the full balance of the total fees at the time they receive the records.
- d. The Agency may furnish documents when appropriate without charge or at a reduced charge where the State FOIA Coordinator determines that waiver or reduction of the fee is in the public interest because furnishing the information can be considered as primarily benefiting the general public.

- b. Fees will include both the cost of reproduction and personnel costs for research and retrieval.

2. Formats for a Written/Electronic FOIA Request

 - Agree to pay applicable fees, including a deposit if required.
- c. The Requestor must attempt to describe the specific records they are requesting in sufficient detail such that Agency personnel can locate the requested information within a reasonable amount of time and effort.

4. Statutory Exemptions From Release

a. Certain requests may require the State FOI Coordinator to make a determination regarding if the information is releasable (e.g., confidentiality, trade secret, or other FOIA statutory exemptions). In such cases, State FOIA Coordinator will use the procedures required pursuant to SC Code §30-4-30(C).

b. The State FOIA Coordinator should compare the requested information against the exemptions listed in the SC FOIA (see SC Code 30-4-40 and the explanations included in the "SC Public Official's Guide to Compliance with South Carolina's Freedom of Information Act" (see <http://www.scpres.org/Documents/2017FOIBook.pdf>)).

c. The State FOIA Coordinator should coordinate with the Agency's General Counsel to develop a current list of the potentially applicable provisions for use as a screening tool (e.g., an electronic, searchable list).

5. If the requested records are available and releasable, the State FOIA Coordinator will arrange for retrieval, review and/or copying of records.

a. The State FOIA Coordinator should schedule an appointment with the Requestor to review the requested records.

However, at the sole discretion of the FOIA Coordinator, the review and copying may take place at other locations and at other times.
