Ms. Statler:

The State's 2023-2024 General Appropriations Bill, as a part of the budget for the Office of the Adjutant General, includes Pass Thru funding designated for "SCEMD Alternative Operating Center" in the amount of \$750,000. The Agency is in receipt of documentation from the House Ways and Means Committee clarifying that the appropriation was intended for the Polaris Technical Charter School.

Those funds were listed under Proviso 118 (Statewide Revenue) which is provided by the State based on availability of State-level funds and in accordance with the priority listing provided by the Legislature. The State will not know if funding is available for those budget lines and, if available, will not disperse those funds to the Agency for distribution until early-mid Fall of 2023.

In accordance with Proviso 117.21. (Organizations Receiving State Appropriations Report), NLT 01 November, organizations receiving state appropriated funds are required to provide to the State Agency providing those funds certain information and documentation prior to receiving those funds. In addition, the organization is required to submit Quarterly Reports on the status of the disbursement of those funds, and a final set of reports prior to the end of the Fiscal Year (prior to 30 Jun 2024). The Agency is required to provide this information to the Chairmen of the House Ways and Means and Senate Finance Committees and to the Executive Budget Office no later than 30 Jun 2024.

I have attached a copy of the Request for Earmarked Appropriation Funds Distribution form. Please complete the form, save as a .pdf, electronically sign the .pdf document, and return both the .pdf and original form to me. I have also included a copy of Proviso 117.21.

I recommend you complete and return the required request form as soon as possible so that, once the Comptroller General's Office determines the availability of funds, the Agency will be able to process your request more quickly.

If you have any questions or need assistance in completing or electronically signing the form, please contact me.

Please email me to verify that you received this email.
